

Nash County
Assistance Policy
For the 2023 Cycle of the
Essential Single-Family Rehabilitation Loan Pool

What is the Essential Single-Family Rehabilitation Loan Pool?

Nash County (the County) has been awarded Membership by the North Carolina Housing Finance Agency (“NCHFA”) under the 2023 Cycle of the Essential Single-Family Rehabilitation Loan Pool (“ESFRLP”). This program provides Members with funds via a “loan pool” to assist with the rehabilitation of moderately deteriorated homes that are owned and occupied by lower-income, special need households. ESFRLP assists eligible households by facilitating aging in place, meeting minimum housing code requirements, promoting long-term affordability, lowering operating costs, and stabilizing pre-1978 homes that include children aged 6 or under whose health is threatened by the presence of lead hazards.

Nash County has been allocated an initial set-aside of \$162,000 which it plans to apply toward the rehabilitation of three houses in Nash County. After demonstrating successful use of this allocation, the County may access additional funds, when available, on a unit-by-unit basis from the ESFRLP loan pool to assist additional homes.

This Assistance Policy describes who is eligible for assistance under ESFRLP, how applications for assistance will be ranked, what the terms of assistance are, and how the rehabilitation process will be managed. Nash County has designed the ESFRLP project to be fair, open and consistent with its approved application for funding and with ESFRLP Program Guidelines.

The funds provided by NCHFA come from the US Department of Housing and Urban Development’s (HUD) Federal HOME Investment Partnerships Program. Assistance for construction-related costs (hard costs) will be provided as no interest, no payment loans which are forgiven at the rate of \$8,000 per year. Non-construction-related costs (soft costs including lead/asbestos inspections/clearances, radon testing and environmental reviews) will be provided in the form of a grant.

EMERGENCY and HEALTH Notifications: Due to the recent COVID-19 pandemic, increased awareness of the need to protect County representatives and the homeowners they serve from various health related exposures has become more apparent than ever. Homeowners participating in the ESFRLP program must agree to follow all local, state and federal guidelines for emergency preparedness during any emergency declared that includes their property address for the duration of construction on the property.

Who is Eligible to Apply?

There are three major requirements to be eligible for ESFRLP assistance:

- 1) The housing unit to be rehabilitated with ESFRLP funds must be located in Nash County and must be owner-occupied. The household occupying the unit must have an elderly, disabled and/or veteran (see definitions) fulltime household member or a child aged 6 or under threatened by lead hazards in the home;
- 2) The gross annual household income must not exceed 80% of the Area Median Income for the County (see income limit table on the following page) and;
- 3) The cost of rehabilitation cannot exceed the ESFRLP Program limit of \$40,000 and must include all Essential Rehabilitation Criteria as described in the ESFRLP Administrator's Manual for the 2023 Cycle (available online at www.NCHFA.com).

Unfortunately, not all homes can be rehabilitated to meet the Essential Rehabilitation Criteria with the limited funding available. Some otherwise-eligible households may be deemed ineligible for assistance because their homes fail this test.

What Types Of Houses Are Eligible?

Properties are eligible only if they meet all of the following requirements:

- The property must require at least \$5,000 of improvements to meet the ESFRLP Property Standards or, if a local code requirement is more stringent than a specific ESFRLP Property Standard, the more stringent local minimum housing code requirement(s) will be used.
- Site-built and off frame modular units listed as real property are eligible for assistance. Manufactured housing is eligible for assistance if the foundation and utility hookups are permanently affixed including removal of all transporting equipment (e.g. wheels, axles, tongue) and installation of a masonry foundation and tie-downs.
- No more than fifty percent (50%) of the total area of the unit may be used for an office or business (e.g. day care, hair salon, room rental, etc.). Program funds may only be used to improve the residential exterior, interior and systems portion of mixed-use buildings.
- The property must be free of environmental hazards and other nuisances as defined by all applicable codes or regulations, or any such hazards or nuisances must be corrected as part of the rehabilitation of the home. Nash County's Rehabilitation Specialist will determine the presence of any known environmental hazards/nuisances on the site and if they can be removed through rehabilitation.
- Properties cannot be located in the right-of-way of any impending or planned public improvements. Nash County staff will assist in making this determination.
- The property cannot be located on a site that is endangered by mudslides, landslides or other natural or environmental hazards. If needed, the Rehabilitation Specialist will work with the homeowner to make this determination.

- The property cannot be located in the 100-year flood plain. Nash County will verify whether the home is in the flood plain.
- The property must be free of any back taxes or liens in default at the time of application submission unless a payment plan has been established and payments are current. If the applicant is unsure, they should call the Nash County Tax Office at (252) 459-9815 prior to submitting the application. (Taxes will be checked for both Nash County and the municipality in which the applicant resides).
- Properties that have a known infestation of bed bugs, fleas, mites or any other ectoparasites will not be evaluated until the infestation has been eliminated.
- If any ESFRLP Program representative for the County suspects that the home is being used for criminal activity or the homeowners are engaging in criminal activity, the household will not be served. Properties that have been approved will be removed from the program if criminal activity is suspected. Homeowners that disagree with this decision must employ the complaint process outlined in the Assistance Policy.
- The property cannot have been repaired or rehabilitated with public funding of \$30,000 or more within the past 10 years without NCHFA approval.

**2023 Income Limits* for Nash County's
Essential Single-Family Rehabilitation Loan Pool**

Number in Household	30% of Median Income	50% of Median Income	80% of Median Income
1	\$14,900	\$24,800	\$39,700
2	\$17,000	\$28,350	\$45,350
3	\$19,150	\$31,900	\$51,000
4	\$21,250	\$35,400	\$56,650
5	\$22,950	\$38,250	\$61,200
6	\$24,650	\$41,100	\$65,750
7	\$26,350	\$43,900	\$70,250
8	\$28,050	\$46,750	\$74,800

*Income limits are subject to change based on annually published HUD HOME Income Limits. This update will not require a re-approval by the governing authority. These are the 2023 Income Limits.

How are applications ranked?

There are many more ESFRLP-eligible households (with eligible houses) than can be assisted with the available funds. Therefore, Nash County has devised the following priority system to rank eligible applicants, determine which of them will be selected for assistance and in what order. Under this system applicants will receive points for falling into certain categories. Applications will be ranked according to which receive the most points. If there are more eligible applicants with eligible houses than can be treated with existing funding, Nash County may be able to treat additional houses with unrestricted pool funds. Pool applicants will come from the original applicant list and be considered according to which household received the most points. If

alternate pool applicants are not identified on the original applicant list and must be solicited, the solicited, eligible, pool applicants will be selected on a first come, first to qualify, first served basis.

**Priority Ranking System for Nash County's
2023 Essential Single-Family Rehabilitation Loan Pool**

<i>Eligibility Criteria (All applicants must meet these criteria to be considered for assistance)</i>	
<u>Owner occupied in Nash County</u>	
<u>Home is classified as Real Property per NCHFA definition</u>	
<u>Owner/Occupant 62 years of age or older or disabled or Veteran full-time household member or a child under the age of six whose health is threatened by presence of lead hazards</u>	
<u>Household income at or below 80% Area Median Income</u>	
<u>Non-historic (as determined by SHPO)</u>	
<u>Estimated cost of repairs is less than \$40,000</u>	
<u>Home is not located in the 100-year floodplain</u>	
<u>No overdue taxes at the time of application submission (unless on an established payment plan)</u>	
<u>Clear from suspected criminal activity</u>	
<u>No prior assistance of \$30,000 or more within the past 10-yrs without approval</u>	
<u>Application must be complete and submitted on-time</u>	
<i>Age and Disability</i>	<i>Points</i>
<u>0-62 and disabled</u>	<u>30</u>
<u>63-80 and disabled</u>	<u>50</u>
<u>81+ and disabled</u>	<u>40</u>
<u>62-80 and not disabled</u>	<u>40</u>
<u>81+ and not disabled</u>	<u>30</u>
<u>Household with a child age 6 or under with a reference level of 5 mg per deciliter or higher</u>	<u>18</u>
<u>Household with a child age 6 or under with documented lead hazards in the home</u>	<u>15</u>
<u>Veteran full-time household member</u>	<u>15</u>
<i>Income</i>	
<u>0% – 30%</u>	<u>12</u>
<u>31% – 50%</u>	<u>10</u>
<u>51% – 80%</u>	<u>8</u>
<i>Bonus Points</i>	
<u>Clear title</u>	<u>8</u>
<u>Post-1978 construction</u>	<u>7</u>
<u>No liens or judgments</u>	<u>3</u>
<u>No prior housing rehab. assistance in the last eight years</u>	<u>7</u>
<u>Applied and eligible for assistance but not assisted in Nash County's URP22, URP23, ESFRLP20, or DEHC programs</u>	<u>7</u>

Definitions under ESFRLP are:

- ***Child with lead hazards in the home:*** a child below the age of six living or visiting weekly in the applicant house which contains lead hazards.
- ***Elderly:*** An individual aged 62 or older.
- ***Disabled:*** A person who has a physical, mental or developmental disability that greatly limits one or more major life activities, has a document of such impairment, or is regarded as having such an impairment
- ***Head of Household:*** The person or persons who own(s) the house.

- **Household Member**: Any individual who is an occupant (defined below) of the unit to be rehabilitated shall be considered a “household member” (the number of household members will be used to determine household size and all household members are subject to income verification).
- **Occupant**: An occupant is defined as any immediate family member (mother, father, spouse, son/daughter of the head of household, regardless of the time of occupancy); or non-immediate family member who has resided in the dwelling unit for at least 3 months prior to the submission of the family’s application.
- **Veteran**: A person who is a military veteran, is defined as one who served in the active military, naval, or air service (i.e. Army, Navy, Air Force, Marine Corps, and Coast Guard; as a commissioned officer of the Public Health Service; or as a commissioned officer of the National Oceanic and Atmospheric Administration or its predecessors), and who was discharged or released therefrom under conditions other than dishonorable. Provide DD-214 form to demonstrate.

Recipients of assistance under ESFRLP will be chosen by the above criteria without regard to race, color, national origin, religion, sex (including gender identity and orientation), familial status, disability and limited English proficiency.

What Are The Terms of Assistance Under ESFRLP?

The form of ESFRLP assistance is a 0% interest, forgivable loan covering the hard costs associated with the rehabilitation of the home and a grant for the soft costs. These will be two separate documents or sets of documents.

The Loan: NCHFA will create loan documents for the homeowner(s) including a Promissory Note and Deed of Trust covering hard costs for the rehabilitation in an amount not to exceed \$40,000. This loan covering the hard costs remains 0% interest and forgivable at \$8,000 per year for as long as the owner resides in the home or until the balance is reduced to \$0. The term of the loan is dependent upon the loan amount and the number of years it takes to bring the balance of the loan to \$0 when forgiven at \$8,000 per year. For example, if the amount of the loan is \$37,452, then the term is 5 years (\$32,000 forgiven over the first 4 years and \$5,452 forgiven at the end of the 5th year). The maximum term of the typical loan will be five years.

As long as the borrower lives in the home, no payments on the loan will be required. If the recipient prefers, the loan can be paid off at any time to NCHFA, either in installments or as a lump sum payment. Furthermore, under certain circumstances NCHFA may allow assumption or refinancing of the loan. Should an heir inherit the property and choose to live in the house as their permanent residence, they may assume the loan without being income eligible. However, the lien remains on the property as per the original loan terms. A buyer who may wish to buy the property to live in may assume the loan so long as they can document that they are income-eligible ($\leq 80\%$ AMI). Default can occur if the property is sold or transferred to another person and/or if the borrower fails to use the home as a principal residence, without prior written approval of the North Carolina Housing Finance Agency.

The Grant: To pay for soft costs including application outreach/intake/management, environmental reviews/inspections/testing and project assessment/documentation/estimating/bidding, NCHFA will create a Grant Agreement not to exceed \$10,000. The grant has no repayment or recovery terms.

What Kinds Of Work Will Be Done?

Each house selected for assistance must be rehabilitated to meet ESFRLP Rehabilitation Criteria. That means every house must, upon completion of the rehabilitation:

- meet the more stringent requirements of either NCHFA's Essential Property Standard or Nash County's Minimum Housing Code. These are "habitability standards" which set minimum standards for decent, safe and sanitary living conditions. Additionally, the home must meet applicable Lead-Based Paint regulations 24 CFR part 35.
- retain no "imminent threats" to the health and safety of the home's occupants or to the home's "structural integrity". (An example of an imminent threat to occupants as well as to the home's structural integrity is an infestation of insects or a crawlspace that is too damp).

These requirements are spelled out in full in the ESFRLP Administrator's Manual which you may view, at reasonable times, upon request, at the Community Development office of Nash County or anytime online at www.NCHFA.com.

In addition to the above items that must be done to satisfy NCHFA requirements, the scope of work may include approved items meant to reduce future maintenance and operational costs or to further protect homes from natural disasters and/or home modifications designed to enable greater accessibility for household members to function more independently as they age.

Once the rehabilitation is complete, major systems in the home that, with reasonable maintenance and normal use, should be capable of lasting another 5 years include: structural support, roofing, cladding and weatherproofing, plumbing, electrical and heating/cooling systems.

Of course, contractors performing work funded under ESFRLP are responsible for meeting all local requirements for permits and inspections. All work done under the program must be performed to meet NC State Residential Building Code standards. (This does not mean, however, that the whole house must be brought up to current Building Code Standards.) Upon the date of approval by Nash County of the contractor's request for final payment, a one-year warranty on all materials and workmanship will begin.

What About Lead-based Paint?

Until it was discovered to be a health hazard, lead was used for centuries to make house paints. Now we know that lead exposure is a serious problem for everyone and especially small children. Selling lead paint was outlawed in 1978, but many older buildings still contain lead paint and children are still being poisoned.

Under ESFRLP, a lead hazard evaluation must be performed on every home selected for rehabilitation that was built before 1978. The specific type of evaluation and the appropriate lead hazard reduction work performed will depend on the total amount of Federal funds used to rehabilitate the home, as per 24 CFR part 35. If required, lead-based paint hazard reduction and/or abatement will be performed by contractors who are trained and certified to perform such work.

It may be necessary for the household to relocate during the construction process for protection against lead poisoning. If relocation is required, it shall be the responsibility of the homeowner to pay for the relocation. No project activities shall result in permanent displacement of households.

Who Will Do the Work On the Homes?

Nash County is obligated under ESFRLP to ensure that quality work is done at reasonable prices and that all work is contracted through a fair, open and competitive process.

To meet the requirements, Nash County will conduct a bid process which will allow all vendors qualified (using the Nash County vendor process) to provide quotes, bids or proposals for the product or services needed on each home. For additional information about procurement and disbursement procedures, please refer to the Nash County ESFRLP Procurement and Disbursement Policy for the 2023 Cycle

- All qualified vendors will be invited to bid on each home and the lowest responsive and responsible bidder will be selected for the contract. Every reasonable effort will be made to receive at least three quotes, bids or proposals for the product or services needed.
- All contractors working on pre-1978 units must be Renovation, Repair and Painting Rule (RR&P) Certified Renovators working for Certified Renovation firms.
- Homeowners who know of quality rehabilitation contractors that are not on the approved vendors list are welcome to invite them to apply.

What Are The Steps In The Process, From Application To Completion?

You now have information about how to apply for the Essential Single-Family Rehabilitation Loan Pool (ESFRLP) and what type of work can be done through the Program. Let's go through the steps for getting the work done:

- 1. Completing a pre-application form:** Homeowners who wish to apply for assistance must do so by September 22, 2023. *[Applications received after this date will be placed on a separate list for a review of qualifications. These applicants will only be served after it is determined that sufficient funds and time remain available once those who applied by the application deadline have been qualified, ranked and their needs determined.]* If funds are still available and our current pool of eligible and on-time applicants has been exhausted, a second intake period will begin January 22, 2024 and end February 9, 2024. Proof of ownership, income, and special needs will be required. Those who have applied

for housing assistance from Nash County in the past will not automatically be reconsidered and must complete a new pre-application form.

- 2. Client Referral and Support Services:** Many homeowners seeking assistance through the Essential Single-Family Rehabilitation Loan Pool may also need other services. If the ESFRLP staff meet the homeowner during the application process, they will provide pamphlets and a list of the agencies with contact information for the resources and programs available in the County. For households that meet the requirements of the pre-application step and qualify to receive assistance through the ESFRLP program, additional verbal discussion will be offered during the Screening of applicants and/or Pre-rehab inspection steps of the program.
- 3. Preliminary inspection:** Nash County's Rehabilitation Specialist will visit the homes of eligible households to determine the need and feasibility of the home for rehabilitation. Homeowners must inform staff of any known pest infestations prior to the visit. The County staff has the right to deny an application based on health and safety concerns that may put their staff and/or contractors at risk.
- 4. Screening of applicants:** Applications will be ranked by Nash County based on the priority system outlined on page 4 and the feasibility of rehabilitating the house. Households to be offered assistance will be selected by October 27, 2023. Household income will be verified for program purposes only (information will be kept confidential). NCHFA will verify ownership of the property by conducting a title search. From this review, the three most qualified applicants will be chosen according to the priority system described above [the remaining applicants will be placed on a list of alternates in the order that they qualified.] Nash County will then submit to NCHFA an ESFRLP Loan Application and Reservation Request for each potential borrower for approval. Applicants not selected for ESFRLP assistance will be notified in writing.
- 5. Written agreement:** A HOME Owner Agreement, between the homeowner and Nash County, will be executed as part of the Loan Application and Reservation Request procedure (that formally commits funds to a dwelling unit). This agreement will certify that the property is the principal residence of the owner, that the post-rehab value of the property will not exceed 95% of the 203(b) limits established by HUD and defines the ESFRLP maximum amount and form of assistance being provided to the homeowner, the scope of work to be performed, the date of completion and the rehabilitation criteria and standards to be met.
- 6. Pre-rehab inspection & unit evaluation:** Nash County's Rehabilitation Specialist will visit the home again for a more thorough inspection. All parts of the home must be made accessible for inspection, including the attic and crawlspace. The owner should report any known problems such as electrical short circuits, blinking lights, roof leaks, etc. Each unit will be evaluated for energy-saving opportunities such as air-sealing and duct-sealing as well as for environmental concerns, such as lead based paint hazards, radon and asbestos.

7. **Work write-up:** The Rehabilitation Specialist will prepare complete and detailed work specifications (known as the "work write-up"). A final cost estimate will also be prepared by the Rehabilitation Specialist and held in confidence until bids are received from contractors.
8. **Lead and Other Testing:** Nash County will arrange for a certified firm to inspect all pre-1978 constructed homes for potential lead hazards (required) and asbestos hazards (as deemed necessary by the Rehabilitation Specialist in all homes built during, before and after 1978). All homes will be tested for radon. The owner will receive information covering the results of the tests and any corrective actions that will be needed as part of the rehabilitation.
9. **Bidding:** The work write-up and bid documents will be conveyed to all contractors from the Approved Contractors Registry. Contractors will be given no less than seven days in which to inspect the property and prepare bid proposals. Each contractor will need access to all parts of the house in order to prepare a bid. A bid opening will be conducted in the Commissioner's Conference Room located at the Nash County Administration Building at 120 West Washington Street, Suite 3072, Nashville, NC 27856 at a specified date and time, with all bidders invited to attend a virtual opening of the bids unless other arrangements are made with the County staff.
10. **Contractor selection:** Within seven days of the bid opening, the winning bidders will be selected. All bidders and the homeowner will be notified in writing of 1) the selection of the winning bid, 2) the amount of the winning bid, 3) the amount of the County's cost estimate, and 4) the specific reasons for the selection, if other than the lowest bidder was selected.
11. **Loan closing and contract execution:** Loan documents (Promissory Note and Deed of Trust) will be prepared by NCHFA as the lender and executed by the homeowner. *By law, homeowners have the right to hire legal representation of their choosing at the loan closing.* If a homeowner does not have "representation" at the closing, the borrower must sign a NCHFA "Legal Advice Disclosure". Rehabilitation contract documents will be executed by the homeowner and contractor with Nash County signing on as an interested third party prior to the commencement of any construction. Nash County will facilitate the loan closing and recordation of these documents and forward the recorded documents to NCHFA.
12. **Pre-construction conference:** A pre-construction conference will be held at the selected applicant's home. At this time, the homeowner, contractor and ESFRLP Nash County program representatives will discuss the details of the work to be completed. Starting and ending dates will be finalized, along with any special arrangements such as weekend or evening work hours and disposition of items to be removed from the home. Nash County will issue a "proceed order" formally instructing the contractor to commence work by the agreed-upon date.

- 13. Construction:** The contractor is responsible for obtaining and posting all permits for the project before beginning work. Nash County ESFRLP Program staff will closely monitor the contractor during the construction period and local Code Enforcement Officials will inspect the work when applicable. To protect personal property, the homeowner will be responsible for working with the contractor toward clearing work areas of personal property as needed as much as practicable. The contractor will be responsible for all clearing and cleaning activities necessary due to construction activities.
- 14. Change Orders:** All changes to the scope of work must be approved by the owner, the contractor, Nash County's Rehabilitation Specialist, and the Nash County Community Development Project Manager and reduced in writing as a contract amendment ("change order"). The owner, contractor and two Nash County personnel must execute any change order agreements to the construction contract.
- 15. Progress payments:** The contractor is entitled to request up to three partial payments and a final payment. The first partial payment may be requested when the work is 25% complete. The second partial payment may be requested when the work is 50% complete. The third partial payment of 75% may be requested when the project is ready for a punch list inspection. Payment will be made within 15 business days of the receipt of the approved payment request by the Finance Office.
- 16. Closeout:** When the Rehabilitation Specialist and the Homeowner are satisfied that the contract has been fulfilled, the Homeowner, Project Administrator and Rehabilitation Specialist will sign off on the work. All material and workmanship will be guaranteed by the contractor for a period of one-year from the date of completion of the work as established by Nash County's approval date of the final pay requisition. Nash County will notify the homeowner in writing of this date.
- 17. Post-construction conference:** Following construction, the contractor and the Rehabilitation Specialist will sit down with the Homeowner one last time. At this conference the contractor will hand over all owner's manuals and warranties on equipment and materials to the homeowner. The contractor and Rehabilitation Specialist will go over operating and maintenance requirements for the new equipment, materials and appliances and discuss general maintenance of the home with the Homeowner. The Homeowner will have the opportunity to ask any final questions about the work.
- 18. Final loan amount determination:** If, upon completion of all rehabilitation work, the contract price has changed due to the effect of change orders and there is a need to modify the loan, NCHFA will prepare an estoppel for a loan reduction or modification agreement for a loan increase as necessary at the time of closeout of the unit. The loan will remain the property of NCHFA, with original documents remaining there for storage and "servicing". Please note that it is the responsibility of the homeowner to record an estoppel if they wish this to be reflected in the Deed of Trust.

19. The warranty period: It is extremely important that any problems with the work that was performed be reported by the homeowner to the Nash County Rehabilitation Specialist or other representative, as soon as possible in writing. All bona fide defects in materials and workmanship reported within one year of completion of construction will be corrected free of charge by the Contractor.

What are the key dates?

If, after reading this document, you feel that you qualify for this program and wish to apply, please keep the following dates in mind:

- **Phase 1 Intake:**
 - Applications available to the public starting September 11, 2023.
 - Applications must be turned in at the Nash County Grants and Housing by 5:00 P.M. on September 22, 2023.
 - Selection of units will be made on October 27, 2023.
- **Phase 2 intake (if necessary):**
 - Applications available to the public starting January 22, 2024.
 - Applications must be turned in at the Nash County Grants and Housing by 5:00 P.M. on February 9, 2024.
 - Selection of units will be made on March 8, 2024.
- All rehabilitation work must be under contract by December 31, 2025.
- All rehabilitation work must be completed by June 15, 2026.

How do I request an application?

Contact:

Emily Moore, Community Development Project Manager
Nash County
120 W. Washington Street
Suite 3040
Nashville, NC 27856
Phone: (252) 462-2715 Housing Hotline

Or: pick up an application at the Nash County Administration Building (in the Housing Office) located at 120 West Washington Street, Suite 3072, Nashville, NC 27856.

Is there a procedure for dealing with complaints, disputes and appeals?

Although the application process and rehabilitation guidelines are meant to be as fair as possible, Nash County realizes that there is still a chance that some applicants or participants may dispute decisions, work completed or other issues. The following procedures are designed to provide an avenue for resolution of complaints and appeals.

During the application process:

1. If an applicant feels that his/her application was not fairly reviewed or rated and would like to appeal the decision made about it, he/she should contact Emily

- Moore, Community Development Project Manager at (252) 462-2471, within five days of the initial decision and voice his/her concern.
2. If the applicant remains dissatisfied with the decision, the detailed complaint should be put into writing. A written appeal must be made within 15 business days of the initial decision on an application.
 3. Nash County will respond in writing to any complaints or appeals within 15 business days of receiving written comments.

During the rehabilitation process:

1. If the homeowner feels that construction is not being completed according to the contract, he/she must inform the contractor and the Rehabilitation Specialist preferably in writing.
2. The Rehabilitation Specialist will inspect the work in question. If he finds that the work is not being completed according to the contract, the Rehabilitation Specialist will review the contract with the contractor and ask the contractor to correct the problem.
3. If the Rehabilitation Specialist finds that the work is being completed according to contract, the complaint will be added to the applicant's file. The Rehabilitation Specialist and the homeowner will discuss the concern and the reason for the Rehabilitation Specialist's decision.
4. If problems persist, the homeowner must put the concern in writing and a mediation conference between the homeowner and the contractor may be convened by the Rehabilitation Specialist and facilitated by Nash County's Community Development Project Manager.
5. Should the mediation conference fail to resolve the dispute, the Project Manager will render a written final decision.

Final Appeal:

After following the above procedures, any applicant or homeowner who remains dissatisfied with Nash County's final decision may appeal in writing to Michael Handley, NCHFA, PO Box 28066, Raleigh, NC 27611-8066, (919) 877-5627.

Will the personal information provided remain confidential? Yes. All information in applicant files will remain confidential. Access to the information will be provided only to Nash County employees and consultants who are directly involved in the program, the North Carolina Housing Finance Agency, the US Department of Housing and Urban Development (HUD) and auditors.

What about conflicts of interest? No employee or board member of Nash County, or entity contracting with Nash County, who exercises any functions or responsibilities with respect to the ESFRLP project shall have any interest, direct or indirect, in any contract or subcontract for work to be performed with project funding, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter. Relatives of Nash County employees or of Nash County board members and others closely identified with Nash County, may be approved for rehabilitation assistance only upon public disclosure before the Nash County Board of Commissioners and with written permission from NCHFA.

What about favoritism? All activities under ESFRLP, including rating and ranking applications, inviting bids, selecting contractors and resolving complaints, will be conducted in a fair, open and non-discriminatory manner, entirely without regard to race, color, national origin, religion, sex (including gender identity and orientation), familial status, disability and limited English proficiency.

Outreach Efforts of the ESFRLP Program

The County makes citizens aware of the ESFRLP program and other housing rehabilitation opportunities through various service providers and specific outreach efforts. At minimum, the County will advertise or publish an article about the Essential Single-Family Rehabilitation Loan Pool Program via the following media/venues: the Nashville Graphic, at the senior centers, and at social service locations throughout the County, on the County's website and through the local nutrition programs such as meals on wheels.

Who can I contact about the ESFRLP program? Any questions regarding any part of this application or program should be addressed to:

Emily Moore
Community Development Project Manager
Nash County
120 W. Washington Street
Suite 3040
Nashville, NC 27856
Phone: (252) 462-2715 Housing Hotline

Mike Barnette
Program Manager
McDavid Associates, Inc.
3714 N. Main Street
P.O. Drawer 49
Farmville, NC 27828
Phone: (252) 753-2139

The County Manager is authorized to amend this Assistance Policy as needed for effective program execution.

This amended Assistance Policy is adopted this 10 day of July 2023.

Stacie Shatzer, County Manager
Nash County

Attest:

Janice Evans
Clerk to the Board
